Operating Instructions

Bluetooth

• Power on the Oceana Speaker by pressing and holding the power button on the back of the unit. Pairing mode is automatically enabled.

• On your Bluetooth device find "Avido Speaker" under your Bluetooth settings. (Input "0000" if a password is required). A successful connection will be followed by an audible notification.
*For help with Bluetooth connections, please consult your devices user's manual.

Bluetooth Speakerphone Call

• The speakerphone function is enabled when your device is connected via Bluetooth. Press the #4 button (see diagram) to answer a call. Press again to end the call. To decline a call without answering, press and hold the button.

Micro-SD (TF Card Mode)

• Insert the Micro-SD (TF Card). A voice prompt "TF Card Mode" will be heard when inserted. Press "+" and "-" to skip song tracks. Volume controls and play / pause buttons will work normally.
